- ❖ **To come** - Organization of an Institute of Humanities in Irkutsk Scientific Center SB RAS (*Address of Irkutsk region Governor*).

New building for Institute of Molecular and Cellular Biology as well as for Institute of Soil and Agrochemistry of SB RAS

An aerial photograph of a large university campus, likely Novosibirsk State University, showing numerous multi-story buildings interspersed with dense green forests. In the distance, a white arrow points to a large, white, dome-shaped structure under construction on a hillside. The sky is blue with scattered white clouds.

Project of buildings for new generation of young scientists
